* Track courses must be approved by the Professional Music Department Chair, or designee. Courses should have a direct relationship to a student's final project. The final project should have a direct relationship to a student's career goals, as developed through advisement. Students interested in the Professional Music major contact the Department Chair as early in their study as possible to plan educational goals and track requirements. For more information about Professional Music Tracks, visit: https://college.berklee.edu/professional-music/concentration-tracks										
** Each student must complete a significant culminating project, based on their track. Project content and/or enactment must match the quality and scale based on the current industry environment.										
Note: Plxx-311 and Plxx-312 (1 credit each) on the student's principal instrument (or on guitar, voice or piano as a secondary instrument) may be taken as electives. If these additional lessons are taken on the principal instrument, then successful completion of the corresponding proficiency is required. If taken on a secondary instrument, the lesson will be unlevleed and will not require a proficiency.
