- Please note, 1 passing score on a CLEP test can only equal 1 transferred course at Berklee.
- Berklee reserves the right to decide what classes are acceptable and how they will count towards the Berklee curriculum. It is at Berklee's discretion as to how to handle transfer credits within the school's requirements.

Official exam score documentation from the College Board must be sent to Berklee to receive CLEP credit. All prospective and entering students should have their AP results sent to Admissions, and all continuing and returning students should send their AP results to [transfercredit@berklee.edu](mailto:transfercredit@berklee.edu).

International students should not take CLEP exams in their last semester of study, as failing the exam may result in the loss of eligibility for optional practical training (OPT).
